**Target Product Profile: Ellen Feigal - 2011 CIRM Grantee Meeting**

Ellen Feigal, MD, led a workshop at the 2011 CIRM Grantee Meeting on the Target Product Profile (TPP). The TPP is a methodology for summarizing a drug development program which can facilitate communication between the drug's sponsor and the Federal Drug Administration. Feigal is Senior Vice President, Research and Development at the California Institute for Regenerative Medicine (CIRM).
